DreamMaker Bath & Kitchen Names Aquadis International a Preferred Vendor

WACO, Texas (September 15, 2005) – DreamMaker Bath & Kitchen by Worldwide®, the nation's premiere remodeling franchise, has named Aquadis International, a preferred vendor to supply a range of kitchen and bath plumbing fixtures to franchises across the U.S. and Canada.

Founded in 1993, Aquadis has grown to become the second largest fixture manufacturer in Canada. The company's products cover a range of range of traditional, contemporary and signature designs that are distributed throughout the United States and Canada.

"All Aquadis faucets are solid brass construction, contain the same ceramic disc, and are lifetime warranty on the finish and the mechanism," said Guy Nadeau, vice president of sales for Aquadis. "We manufacture quality product and service to your satisfaction and we believed in excellence, as much as it depends on us."

Effective immediately, DreamMaker Bath & Kitchen franchisees can order direct from the manufacturer and supply customers with a wide array of leading fixture designs at competitive prices.

"We are excited to have Aquadis join our roster of preferred vendors as we continue to supply our franchise network with the best products and services available on the market to enhance the design capabilities and the professional results that DreamMaker brings to customers throughout the U.S. and Canada," said Lenny Wortham, vice president of technical and training for DreamMaker Bath & Kitchen.
